

Go Walkeez

Let's go sniff out some amazing cultural heritage!

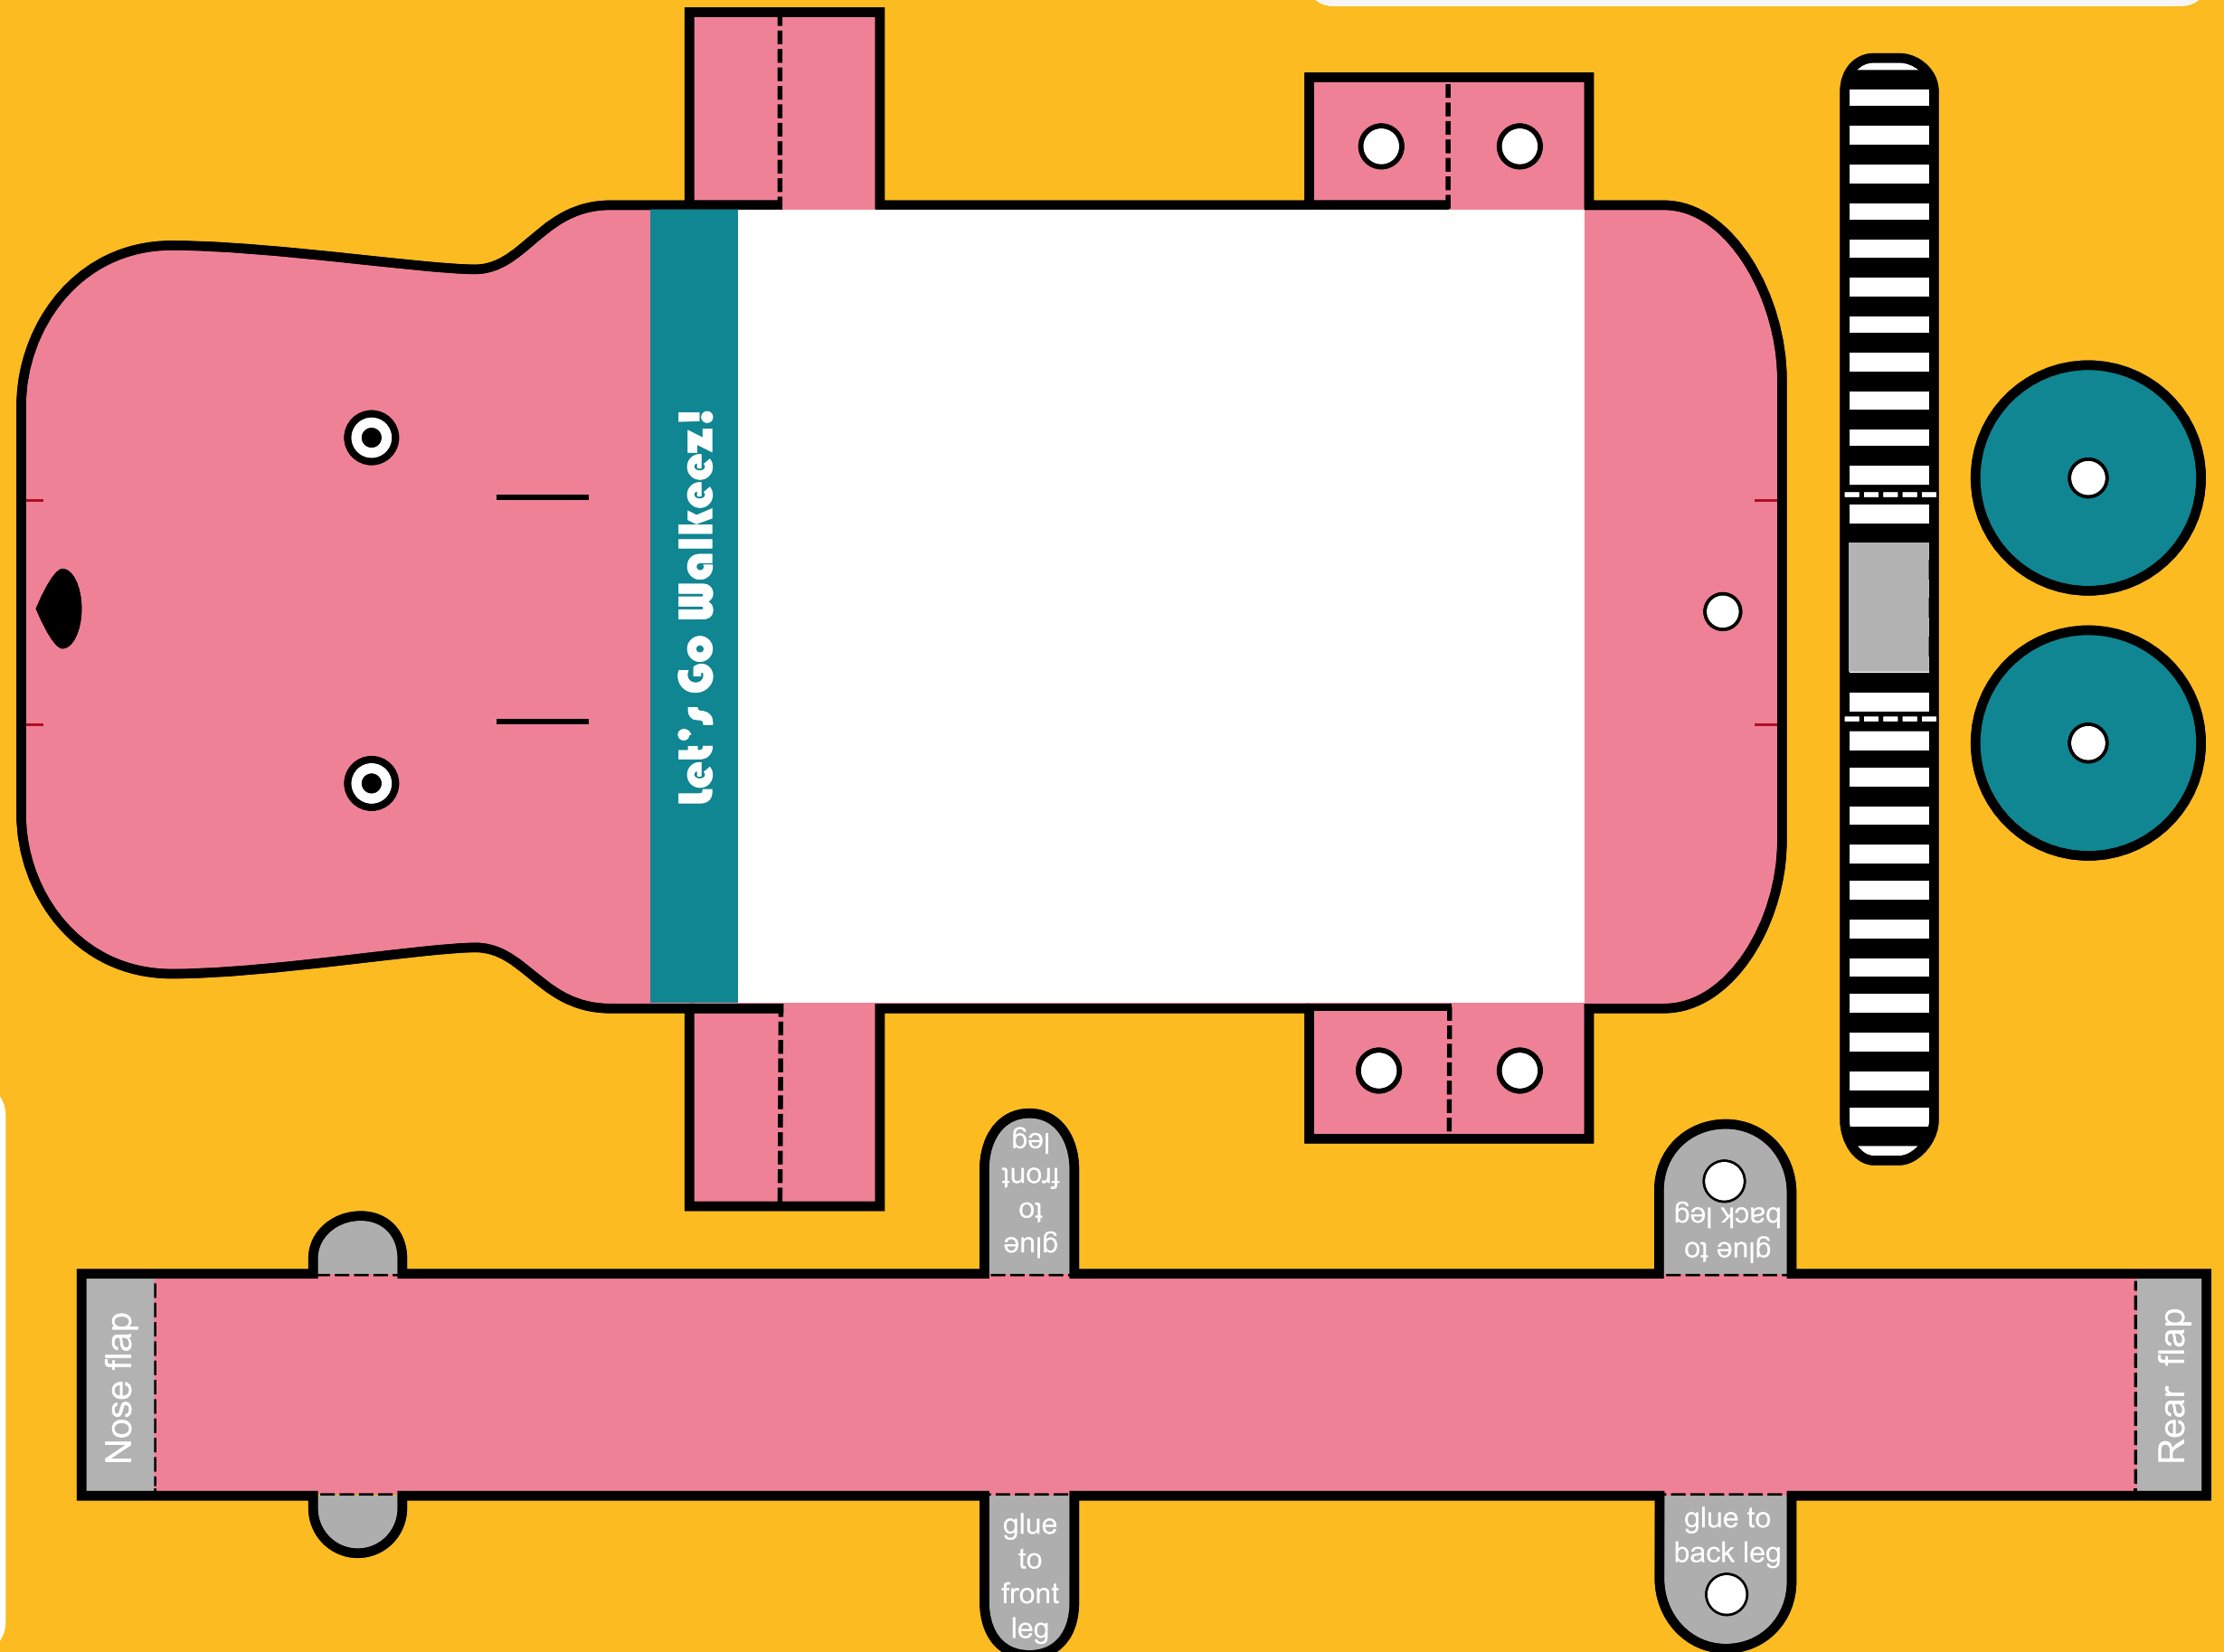

Get the free app

I can then ask you what to find and sniff!

Scan this code, or go to www.gowalkeez.com/goodies

Instructions:

1. Cut out all the pieces (solid lines)
2. Fold along the fold lines (dotted lines)
3. Cut slits for the ears
4. Thread the ear through slits
5. Thread fuzzy wire through tail hole
6. Stick the flaps of the tummy strip along and underneath the dog's body (use the dark lines along the nose and rear end as the guide for the nose and rear flaps)
7. Put straw through wheels and legs

Materials:

- Scissors
- Glue (or double-sided tape)
- Craft fuzzy wire
- Paper straw (length: 5cm)

Keys

- • Cut line
- - - • Fold line
- • Area to glue/tape
